<p><i>For the August 2012 enrollment report, HFP had one beneficiary in Health Net whose county was listed as "Other". Since it seems likely that this person may be residing out of state or in a temporary residence status, this single count was not included in this chart. Therefore, the cumulative total is one number lower than the total in the HFP enrollment report that was the source for these figures.</i></p>									All Phase Total	859,903
